1 The parties are in agreement that the deadline for Defendant Hatfield to file his
2 responsive pleading to the complaint would be set as January 15, 2025. This date is in
3 conjunction with other defendants' date for their responsive pleading. ECF No. 22. The parties
4 submit this stipulation because it is judicially economical to have all Defendants provide a
5 singular answer, rather than separate answers based on the date of service.
